Notes:

- Installation fee required before work commences. If existing QuickBooks file is available then no charge unless work is required to correct data from tax return review. Retainer equal to 50% of estimated first month's fee with minimum \$ 150.
- Monthly accounting includes: data entry of checks and deposits, bank reconciliation, credit card processing, financial statement reporting and analysis.
- Payroll processing includes entering hourly and salary information, pay stub generation, payroll summary reporting, and direct deposit processing for a small fee charged by QuickBooks. This information will be faxed or emailed per client's instructions.
- Payroll tax filing is required monthly, quarterly and annually. Online filing and payment of taxes will be available upon client's request at no additional charge. Set up fee to process online payroll taxes is \$100. (One time fee)
- Invoices will be issued when work is completed. Payment is due within 15 days. Both parties agree that a 30-day notice will be submitted to cancel this agreement. Gargans Tax Services LLC will turn over any completed reports pertaining to your business as long as all fees have been paid. We will automatically discontinue work on your account, if fees have not been paid within 15 days of invoice.
